The Panel sets forth the following procedure for the hearing on Friday, March 14, 2025. The Panel will adhere to the following procedure unless for cause stated on the record it decides to proceed otherwise.

The Investigators (though only one is necessary) will be called upon to summarize their February 7, 2025 report of the investigation and answer questions from the Panel. If the Investigators exhaust their time despite an efficient presentation, they may move for additional time on a showing of a compelling need.

Mr. Searcy will be called upon next to orally summarize Sharpe's February 21, 2025 response to the February 7, 2025 report of the investigation and answer questions from the Panel. If Mr. Searcy wishes to present any other evidence to rebut

the Investigators' presentation, he will be permitted to call witnesses (including Sharpe) and introduce exhibits. If Mr. Searcy intends to call a witness or introduce an exhibit, he must provide written notice to the Panel and to the Investigators no later than 12:00 PM, Thursday, March 13, 2025.
